Dear Mr Hamill

Re: Outcome of Renewal of Registration Application - Granted

I refer to your application to renew your registration as a national VET regulator (NVR) registered training organisation (RTO).

In accordance with the provisions of the *National Vocational Education and Training Regulator Act 2011* (NVR Act), your application for registration has been granted. The National Register has been updated to include the following key details of your organisation:

Legal name:	Rural Industries Skill Training Centre Incorporated
Trading name:	Rural Industries Skill Training Centre Incorporated
RTO ID number:	4198

Period of registration

Your organisation has been granted registration for a period of seven years which commences on 31/03/2020 and is due to expire on 30/03/2027. Your organisation's Certificate of Registration is attached.

You can apply to the Australian Skills Quality Authority (ASQA) to withdraw your organisation's registration, and timeframes and obligations apply to that process. There are also obligations on organisations that effectively cease to operate, even though they remain registered as RTOs. Further information about obligations in these circumstances is available from the [ASQA website](#).

Scope of registration

The organisation's scope of registration – the vocational education and training (VET) courses that your organisation is registered to provide – is listed on the National Register. Please note that Sections 93-94 of the Act provide for the imposition of monetary penalties on RTOs that provide all or part of a VET course outside scope of registration.

Access to Documents

Your organisation may also have the right of access to further documents under the *Freedom of Information Act 1982* (www.oaic.gov.au).
